

Worksheet: Conditionals

Access Code 4.1

Fill in the blanks in each table based on the code above it.

```
var a = 3;
var b = a + 1;
if (a === 4) {
  console.log(6);
} else if (b === 4) {
  console.log(a + 13);
} else {
  console.log(25)
}
```

a	b	a === 4	b === 4	what will be logged?
3				

```
var a = 2
var b = 3
if (b > a && b < a * b) {
  console.log(b);
} else {
  console.log(a);
}
```

a	b	b > a && b < a * b	what will be logged?
		-> -> -> -> ->
